

New Era High School, Panchgani

ASSIGNMENT -3

Class VI

Subject	Art and Craft
Topic Sub Topic	Craft Photo Frame
Time line	3 rd week (11 May to 16May)
Supplies needed	Craft sticks, or popsicle, cardboard, white glue or glue gun, poster colour, paint brush, scissors, pencil, ruler, family or own photo, things to decorate your photo frame with buttons, sequins, felt, craft foam, etc.
Activity	<p>STEPS: Making photo frame and decoration</p> <p>Step1-Choose the shape of your frame Basic square frame: arrange four sticks to form a square or choose your own shape</p> <p>Step 2-Paint the craft sticks After you have decided on the shape of your frame, paint the craft sticks. You can use single colour or multi coloured frame.</p> <p>Step 3- Glue the craft sticks together. Once the paint dries, arrange the sticks into the shape or design you have chosen.</p> <p>Step 4 -Decorate the frame Decorate the frame as you please. You can paint patterns or small designs on it; glue on some sequins, buttons, paper fabric or felt cut outs; or draw some design with puffy paint or glitter glue</p> <p>Step 5- Trace the outline of the frame. Make a backing board by tracing the outline of your craft stick frame onto the cardboard.</p> <p>Step 6- Draw a smaller square. Draw a slightly smaller square inside the outline. The idea is to make a support board that is slightly smaller than your craft stick frame.</p> <p>Step 7- Cut out the board. Cut out the board along the inner outline.</p> <p>Step 8- Glue the support board. Glue this board at the back of your craft stick frame.</p> <p>Steps 9- Place a photo Cut out the photo to size that fits inside the frame. Glue the photo at the center of the frame.</p>
