

New Era High School, Panchgani

ASSIGNMENT -3

Class VI

<b>Subject</b>	<b>Mathematics</b>
CHAPTER	Basic Geometrical Ideas
TIMELINE	3 <sup>rd</sup> Week ( 10 <sup>th</sup> May to 16 <sup>th</sup> May)
Topics	<ul style="list-style-type: none"> <li>• Point</li> <li>• Line</li> <li>• Angle</li> <li>• Curve</li> <li>• Polygon</li> </ul>
Activities	<p>The link is of video to explain the concept of basic geometrical ideas watch it carefully  <a href="https://www.youtube.com/watch?v=hd3umsscydg">https://www.youtube.com/watch?v=hd3umsscydg</a>                      Stick matchsticks, toothpicks or a colourful thread to make geometrical shapes like line, line segment, intersecting lines parallel lines, rays, angles, curves and polygons ect.                      Place every figure neatly use colour pens to make it more attractive.</p>
Moral Value	<p>Every figure has its uniqueness in itself but when they come together they form new figures.                      We are also unique together we can make world a better place.</p>
Submission	<p>Students should solve the Assignment on a paper and is to be submitted scanned copy by 9th May 2020.                      For the queries, you may contact me on <a href="mailto:sanket.dhoke@nehs.in">sanket.dhoke@nehs.in</a>                      The hard copy to be submitted as and when you report to the school.                      Please note the above activities are a part of your internal assessment and it is mandatory.</p>
Resource	<p>Class VI text book of Mathematics by N.C.E.R.T                      To download the textbook click the link given below  <a href="http://ncert.nic.in/textbook/textbook.htm?femh1=0-14">http://ncert.nic.in/textbook/textbook.htm?femh1=0-14</a></p>
Questions	<p>Name the things around you which resemble Basic Geometrical figure.</p> <p>Example Door – angles, position of the vase – point ect.</p>

Subject Teacher: Mr. Sanket Dhoke.
