

NEW ERA HIGH SCHOOL, PANCHGANI

ASSIGNMENT -3

Class VII

Subject	Art and Craft
Topic Sub Topic	Craft How to make a flower vase
Time line	3 rd week (11May to 16May)
Supplies needed	A4 size any 2 coloured papers, cutter, scissors, decorative material like buttons different coloured stars, pins, stickers
Activity	<p>How to make a flower vase?</p> <p>Step 1 – Cut the Paper Into Pieces. You need 12.5cm x5cm sized paper strips. Cut 36 pieces of each colour. (Total 72 pieces)</p> <p>Step 2- Fold the Paper Strips * Take any one coloured paper strip and fold it in half longitudinally *Once again fold it in half, so that the width of the fold is 12.5mm, having 4folds *Now fold in the middle and then at 1/4th portion to form a square *Finally fold edges inside and make a “V” shape *We need to fold all 72 pieces like this</p> <p>Step 3 –Start Connecting The Folded Strips *Take one pink folded strip and one light green strip * Insert light green strip through the pink. this will form an “ L” shape with both coloured strips *Continue connecting the strips in a Zigzag manner.</p> <p>Step 4- Make Rings *Connect 9 pieces of light green to form one length of chain *Fold the chain to a round shape and insert one end to another to close the ring *Make 4 such rings with folded strips</p> <p>Step 5- Close Bottom *Place one ring on a piece of card board and draw the circular outline *cut the card board stock to size and attach the bottom with glue</p> <p>Step 6- Glue all 4 Segments Together *Glue the edges of each ring and join them together. *Allow the glue to dry.</p> <p>Our small paper vase is ready. You can use the vase to keep stationery items on your table or keep paper flowers in it .</p>
